George,

What about the dangling light strand on 5th St? Did they assess that one?

Attached are pictures of what we found on site Our TAPA unit disconnected and replace with a new units and we were unplugged.

Hopefully this helps find out what happened on site

Subject: Request to evaluate the Tivoli Lights on Centre St.

George,

Last week, I was on the intersection of 5th Street and Centre Street and I noticed one of the strands dangling. It is located between 5th St. and 3rd St.

Can you please send a crew out there to assess the situation. When I previously made my request, I requested that your crew go to Centre St. between 5th and 6th Streets.

I checked with LADWP and they said that they haven't changed anything out. If your crew goes up there, it would be helpful to me if they can take some photos of the issue. I'm still trying to resolve this.

Thank you for your assistance.

Best regards,

Lorena Parker
